Our Story

We create products for fellow 'Foodies' who live for delicious food and love unique culinary experiences.

We are a one of a kind catering and novelty business. Our food showcases a unique blend of sophistication and simplicity inspired by southern roots. Boujee Food and Thing's is comfort food re-imagined and inspirational novelties.

Chef Jalissa presents a fusion of Southern American cuisine and International spices to create a unique experience using different cooking techniques such as braise, grill and smoke. Jalissa takes pride in making everything from scratch. She uses authentic and natural ingredients for all dishes.

Boujee Food & Things is a catering company/mobile restaurant.
